

## **Agenda — November 30, 2012**

Things we've done since last meeting:

- Thank you emails
- Offline donations
- Private/Public donations
- Follows
- Email to donors
- Donation history

Things we're going to do this week/future:

- Easy way to share participation page - Joanna
- Dates (warning for donating to old events, old vs. upcoming events) - Joanna
- Email notifications - Joanna (look in participation controller for an example of email — Pony!)
- Receipts
- Send out emails to your friends - Ben
- Make organization list look better - Cristina
- News feed - Cristina
- Want to know total amount raised, not just breakdown of online/offline — hover over the bar to get the breakdown amount raised - Cristina
- Homepage just has upcoming events if you're logged in (not the sign up box)
- Participation bars — what happens if you exceed your goal? Check this. So if you exceed, then your whole bar will be how much you've raised and then show a line where your initial goal was
- Teams — in participations, you can add people.
- Search through organizations
- Categorize organizations

Things to update in problem analysis (do by Sunday 10 p.m.)

- feature descriptions — Joanna
- object model (add follows, offline donations, change arrow) — Cristina
- events — Joanna
- security needs to mention SSL being used everywhere — Ben
- a bunch of new operations — Ben
- UI flow with screenshots — Cristina

**Next meeting Saturday, December 8**
