

AGENDA — November 18, 8 p.m.

Agenda:

1. Review design proposal with mentors
2. Assign work for the week
3. Talk about new features for the future

Review Design Proposal — Notes from mentors:

- Two types of accounts: volunteers and organizations - Seems fine for MVP
- We made a participation object - Seems like a good organizational idea
- Fix arrow for subset in problem analysis object model
- Add goal object to participation in object model

Assignments:

Cristina: event view + participation view + homepage

Ben: payment things

Joanna: organization profile + user profile + forms

Other Notes:

-Twitter Bootstrap has different colored progress bars

Extras Brainstorms:

Notifications - either email or in-site messages or notifications feed

Messages - send thank you emails

Integration with Facebook

Following volunteers + organizations

GUI for volunteers/organizations to design their own page

Offline donations

Photo upload

Leaderboard

Donations private vs. public

Donor accounts

Receipts for tax things for donors
